CHRISTCHURCH NETBALL CLUB

## Team Player Commitment

While abiding to our Player Code of Conduct, the commitment expectation of our team members is to attend 2 weekly training sessions.

1x open session (currently Saturday or Wednesday) £18/month
1x team training (day/time dependant on team placement) £18/month
Match availability (details to be uploaded to Spond events) £8/month

Purchase of a match dress/tshirt (£52/36)
While we do not offer a second hand sales outlet, we have created a dress exchange system and where possible we will endeavour to swap match uniform when a alternative size is required.
Hopefully meaning a player will only have to purchase one match uniform during their time at CNC

## Competition Schedule

We cannot guarantee that we will enter the same competitive events year upon year. However we aim that our teams will get a minimum of 1 league match experience/month along with at least one multi competitor tournament event per season. Tournaments are in addition to the league match experiences and costed at approximately £25/player based on a minimum of 9 players attending

## Terms & Conditions for Cancellation

All sessions carry a 35 day cancellation notice which must be made in writing and sent to office@christchurchnetballclub.co.uk

Commitment to a team is to be made for a period of 12 months
Exceptions can be applied at the discretion of the lead coach.
In this case a 35 day cancellation period will be applied.
